From (Name) R.LITTLEHAILES, Esq., M.A.,

(Designation) DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department

Sir,

In G.O.No.1591 Law (Education) dated 10-11-23, Government sanctioned the payment of a non-recurring grant of Rs.1250 towards improvements to the building of the manual training class in wood work in the Ganapathy Secondary School, Mangalore, and a recurring grant of Rs.420/- to the manual training class during 1923-24.

2. Again in their order No.1454 Law (Education) dated 13-10-23, Government sanctioned the introduction of weaving in the same school and the payment to the management of a half grant of Rs.220 during 1923-24.

3. It is reported that 168 pupils of Forms I to V are attending the Manual Training Class in wood work as against 97 during last year while the strength of the weaving class is reported to be only 22 this year as against 82 last year.

4. According to the Correspondent's estimate the recurring and non-recurring charges during 1924-25 of the two classes amount to Rs.2164 and Rs.210 respectively.

5. Mr.Porrett who visited the classes on 12-6-24 reports that good work is being done and that the classes may be continued during the current year. He estimates the recurring cost at Rs.1444 as per details noted in the margin.

6. The scale of pay originally recommended by the Adviser and approved by Government for the Manual Training Instructor was only Rs.45/- p.m. The Adviser now reports that the scale of pay of Rs.45/- per mensem originally recommended by him was only for a trained Carpenter, as no qualified Instructor was then available. As the present Instructor is the holder of a 1st Class Manual Training Diploma and as an Instructor cannot be got for less than Rs.52/- per mensem. he recommends that he may be given a salary of Rs.52/- per mensem.

7. I have the honour accordingly to recommend that a grant of Rs.722 being one-half of the total cost of Rs.1444 referred to above be sanctioned as grant to the management towards the up-keep of the wood work and weaving classes during 1924-25, the expenditure being met from the provision of Rs.13,100 under "31.B(b)(ii)-Education-Secondary-Transferred-Direct grants to non-Government Secondary Schools for Boys- Non-Europeans - Grants towards the cost of Vocational and pre-vocational training" in the Budget Estimate for 1924-25.

I have the honour to be,
Your most obedient Servant

for Director of Public Instruction.
